MAP INFORMATION ELEMENTS

FIRST INTERVAL	SID <u>76</u>	IUC <u>102</u>	OFFSET <u>104</u>
	SID	IUC	OFFSET
LAST INTERVAL	SID	IUC	OFFSET

A diagram illustrating the structure of map information elements. It shows a grid of four columns and five rows. The columns are labeled SID, IUC, and OFFSET. The rows are labeled FIRST INTERVAL, SECOND INTERVAL, and LAST INTERVAL. The first row contains specific values: SID 76, IUC 102, and OFFSET 104. The second row contains labels for the columns: SID, IUC, and OFFSET. The third and fourth rows are empty. The fifth row is labeled LAST INTERVAL. A bracket on the left side groups the first three rows, and another bracket on the right side groups the last two rows. A curved arrow points from the label '100' at the top right towards the last row.
